A thank you from Pastor Rego. Dear donors who are always on our side and also messenger Mama Tanneken, together with Harvest Community Church and all who so graciously pray for and support ACPO and Mountain of Praise Church; "We, Monte de Louvor Church and ACPO, are thanking you for your love that you have for us. We want God's hand to always be extended over you." Pastor Rego

Dio, one of our miracle boys, who came from the jungle with severe bow leggedness, experienced a miraculous healing. As I visited this summer, he came walking toward me, fully healed as seen in this picture. It is exciting to see the Lord working in His ways!

This photo shows the miracle that happened in Caia. According to Pastor Rego, and his entourage, this brother in the picture was crippled and needed crutches to walk. He was prayed for and the power of God manifested itself so that he left the crutches and walked, praise God Almighty.

THANK YOU to all who provided for the blankets that the children received. It was a huge help during the cold weather.
