

# MOZAMBIQUE FOR THE KINGDOM

TANNEKEN FROS

SEPTEMBER 2025

I greet you with much love. This year as I'm celebrating my 80th birthday I am filled with joy and thankfulness for all that God has done in these over 35 years of missions abroad and within the states. I am also celebrating and thanking the Lord for all of you who have helped me in this mission together. We celebrate the goodness of the Lord. And may each one of us, wherever we are, proclaim the goodness of the Lord by singing *Great is Thy Faithfulness, O Lord, My Father*.

## *A Message of Thanks from Pastor Rego*

The Mountain of Praise Church sends you many greetings. I want to thank all of you who have always looked to Mountain of Praise church for its development. Your gracious finances help us to spread the gospel. Your names are not forgotten in our ministry. We all do the same work for the Kingdom of God.

I also want to thank you on behalf of the orphans and say that we are doing very well. And the children have always prayed for you who have given us everything we need. You have answered the difficulties we have placed before you. God is good and seeks the unity of the ministry. But above all, God showed his goodness at this conference. This conference, which took place from July 11th to 13th 2025, invited the leaders and brothers and sisters from Malawi, Zimbabwe and Mozambique. (National, provincial, district and local pastors were involved in this conference.)

I, Pastor Rego, despite my health conditions, felt divine healing and was able to lead with some leaders until the end of the 3 day conference. With that, I can say that God is good all the time!

We continue to pray to God that He may open the door even wider for the coming year. This is bringing great healing to Mozambique and other countries that are all aligned with us at Mountain of Praise Church, including Malawi, Zimbabwe, and particularly the United States.

God is for everyone!

## Mozambique for the Kingdom

*The mission, and especially the children, are grateful for the donation of balls and sweaters/jackets, as joy is evident in faces with this fun offering that increases the energy and comfort in the children's lives. May God bless all who have sacrificed to provide sustenance, comfort, and smiles on the children's faces.*

*Domingos and Marosse (left) – brothers who are beneficiaries of the Vocational Fund, are graduating in Nursing. It has been a victory to see their dedication day by day to becoming our nurses of the future! May Almighty God bless all who are helping with this fund.*

### A Letter of Thanks

*I, Santos Sande Andicene, a member of the Mountain of Praise Church in Mozambique and Secretary of ACPO, am writing this letter to thank Mama Joan and Papa Tim, Mama Tanneken, Papa Rego, and everyone who helped me directly or indirectly with the donation to buy my new bicycle, which is already facilitating my daily commute to the orphans' mission at ACPO. Once again, I thank you for your goodwill and love. May God bless you abundantly and make everything prosperous in your families and your affairs.*

*How good God is! Santos Sande*

*Sister Carlota (right) who is graduating in Nursing, thanks to the Vocational Fund, is currently in her final full-time internship and after that will be in graduation phase (end of the course). Thank you to those who donate to this fund!*
